

GOLDEN EAGLE TOKEN (GET)

Whitepaper 2025

Entertainment Meets Blockchain

1. Introduction

GOLDEN EAGLE TOKEN (GET) is a blockchain-powered entertainment ecosystem bridging streaming, cinema, VR, and subscription rentals. It's designed to give users control, access, and rewards for participating in the next evolution of entertainment.

With a total supply of **1,000,000,000 GET**, the token represents both digital utility and real world experience — from streaming platforms to cinema tickets and VR experiences.

Our mission is simple: make entertainment borderless, immersive, and rewarding for everyone.

2. Vision & Mission

■ **Vision:** Build the world's first entertainment ecosystem powered entirely by blockchain — blending streaming, physical cinemas, and immersive VR-at-home experiences.

■ **Mission:**

- Deliver high-quality streaming platforms powered by GET.
- Launch Golden Eagle Cinemas in key global cities.
- Introduce VR home cinema technology for next-level immersion.
- Build a global marketplace for entertainment subscriptions and rentals — fully payable with GET.

3. Tokenomics

Total Supply: 1,000,000,000 GET

Distribution:

- Liquidity Pool: 40% (400,000,000)
- Development & VR Platform: 20% (200,000,000)
- Marketing & Partnerships: 15% (150,000,000)
- Team & Advisors (Vested): 10% (100,000,000)
- Community Rewards & Staking: 10% (100,000,000)
- Reserve (Future Expansion): 5% (50,000,000)

The token features a **deflationary model** — with potential buy-back and burn mechanisms to ensure long-term scarcity and value growth.

4. Utilities of GET

1. **Streaming Access:** Subscribe to our streaming platform using GET.
2. **Cinema Tickets:** Access exclusive offers and VIP screenings at Golden Eagle Cinemas.
3. **VR Cinema:** Pay for immersive VR experiences right from home.
4. **Rentals & Subscriptions:** GET powers decentralized entertainment rentals.
5. **Rewards & Staking:** Stake GET to earn passive income and loyalty perks.

5. Roadmap

Phase 1 (2025 – Q1-Q2):

- Token Launch (1B Supply)
- Website & Community Development
- Marketing Campaign

Phase 2 (2025 – Q3-Q4):

- Streaming Platform (Beta)
- CEX/DEX Listings
- Cinema Construction Planning

Phase 3 (2026 – Q1-Q2):

- Launch First Golden Eagle Cinema
- Integrate VR Cinema-at-Home
- Expand to Audio Streaming

Phase 4 (2026 – Beyond):

- Global Cinema Rollout
- Mobile App Release
- Subscription & Rental Marketplace

6. Community & Governance

GOLDEN EAGLE TOKEN is **community-driven**. Token holders will directly influence the ecosystem through governance voting, deciding on:

- New streaming content partnerships
- VR feature development
- Global cinema locations
- Reward and staking mechanisms

7. Security & Transparency

We prioritize safety and trust.

- Smart contract fully audited before launch
- Liquidity locked to prevent rug-pulls
- Transparent token distribution and vesting timelines
- Public team accountability and progress updates
